

Oil Pastel non-objective Drawing Guidelines

- 1.) Create a min. of four non-objective * practice drawings with pencil in your sketchbook (about ½ a page in size). Work on creating unique shapes and figure out how you can creatively use all of your space.
- 2.) Choose your best idea to sketch on brown paper lightly with a pencil.
- 3.) Using a min. of 6 different colors, blend them demonstrating the understanding of how to create a wide range of value with color.

*Non-Objective - Artworks having no recognizable subject matter (not recognizable as such things as houses, trees, people, etc.) Also known as non-representational art.
